Respectfully submitted,
 Margaret Simos
 Town Treasurer

Town Clerk Report.

The following actions were voted at Town Meetings held in 1982.

March 9, 1982.

Article 1. Appropriated from Overlay Surplus \$12,000.00 and from Free Cash \$3,000.00 for the Road Machinery Maint. Account.

Article 2. Appropriated from Free Cash \$10,000.00 for Winter Maint.

Article 3. Appropriated from Free Cash \$1,000.00 for Town Garage Maint. Account.

Article 4. Authorized the Selectmen to exchange Town land for land owned by the Commonwealth of Mass. for a cemetery.

May 8, 1982.

Article 3. Heard report of Town officials.

Article 4. Authorized the Treasurer with approval of the Selectmen to borrow money.

Article 5. Fixed the Salary and compensation of all elected and appointed officials and raised and appropriated the segregated sum of \$419,821.00 for those salaries and expenses and appropriated \$625.00 from the Cemetery Interest bearing account to the Cemetery expense account and transferred \$1,271.00 from the Road Machinery Earnings Account to the Road Machinery Maint. Account. as follows:

General Goverment	20,907.00
Protection of Persons and Property	12,281.00
Health and Sanitation	17,790.00
Highways from taxation	77,807.00
Transfer from earnings	1,271.00
Veteran's Benefits and Services	7,098.00
Schools and Education	251,478.00
Libraries	3,410.00
Interest Insurance and Assessments	26,800.00
Cemeteries from Interest	625.00
Unclassified Town Expenses	2,250.00

Article 6. Appropriated the sum of \$5,000.00 from the Overlay Surplus Account to the Reserve Account.

Article 7. Accept and expend \$12,265.00 from the Commonwealth of Massachusetts D.P.W. for FY 1983 for Chapter 90 type construction.

Article 8. Accept and expend \$1,250.00 specified as Direct State Aid to Public Libraries from the Commonwealth of Mass.

Article 9. Raised by taxation \$33,166.00 for payment of Principal and Interest of the New Salem/Wendell Union School Bond.

Article 10. Raised by taxation \$4,000.00 as the Town's share of the shared Administrative Assistant Program.

Article 11. Raised by taxation \$10,000.00 for the Stabilization fund.

Article 12. Raised by taxation \$5,600.00 to have the Town Financial records audited.

Article 13. Appropriated from Free Cash to have a tax map made \$11,200.00

Article 14. Raised by taxation \$200.00 for Town Hall furnishings.

Article 15. Raised by taxation \$150.00 for shelves in the Town Vault.

Article 16. Appropriated from Federal Revenue Sharing Funds \$2,000.00 for Radio Equipment for the Police Dept.
Article 18. Appropriated from Federal Revenue Sharing Funds \$2,000.00 to purchase Portable Kennels for the Dog Officer.
Article 19. Appropriated from Federal Revenue Sharing Funds \$28,000.00 for the planning, purchase of property and construction of a new Town Garage/Fire Station.

Article 20. Endorsed the following resolution:

Because it is impossible to defend against nuclear war and because there can be no winner of a nuclear war, in the interest of national security, be it resolved that the Wendell Town Meeting

- 1) Calls upon the President of the U.S. to propose to the U.S.S.R. that together, both countries negotiate an immediate halt to the nuclear arms race. Specifically, we call upon each country to adopt and immediate mutual freeze on all further testing, production and deployment of all nuclear warheads, missiles and delivery systems; and,
- 2) Calls upon the administration and the Congress to transfer the funds saved to civilian use. Concurrently, they should work jointly with labor, management and local communities to develop plans to convert the nuclear arms industry to civilian production, thus protecting jobs and strengthening our national economy.

We hereby call upon our elected officials at the local, state and federal levels to publicly endorse this resolution.

Article 23. Voted that section of road in Wendell now known as Millers Fall Road or Arch Road or Mormon Hollow Road running from the intersection of Farley Road and Millers Falls Road to Mormon Hollow Road on the Town line of Montague be henceforth known as and legally changed to Mormon Hollow Road.

Sept. 21 1982.

Article 1. Voted in the affirmative to request the Franklin County Technical School District Committee to prepare an amendment to the agreement between the Town of Bernardston et al.. with respect to the establishment of a Regional Technical School District, setting forth the terms by which the Town of Rowe may withdraw from said School District.

Article 2. Appropriated from Free Cash \$3,000.00 to improve the heating system of the Wendell Center School.

Article 3. Appropriated \$3,400.00 from Free Cash to purchase a new Snowplow for the Highway Dept.

Article 4. Appropriated from Free Cash \$784.72 for the Fire Dept. Exp. Account.

Article 5. Directed the Selectmen to enter into contracts with the Commonwealth of Mass. D.P.W. to use Chapter 90 monies to finish the construction of Montague Rd. to the Montague Town line.

Article 8. Appropriated from Free Cash \$672.40 for sick leave for the D.P.W. employees.

Article 9. Appropriated from Free Cash \$541.60 for sick leave for the Highway Surveyor.

Article 10. Appropriated from Free cash the additional sum of \$2,000.00 for Assessors Exp.

Article 11. Appropriated from Free Cash \$5,750.00 as the Town's share of Chapter 90 Construction and Maintenance.

Article 12. Appropriated from Free Cash \$2,000.00 to repair the salt storage shed.

Article 14. Appropriated from Free cash \$700.00 for Town Dump Maintenance to compensate for sick pay and raise in pay.
Article 15. Rescinded Article 4 taken at the Special Town Meeting March 9, 1982.

Article 16. Authorized the Selectmen to exchange approx. 13 acres of Town land for approx. 5 acres of land owned by the Commonwealth of Massachusetts. The land that is transferred to the Town is to be used for the establishment of a Town Cemetery.

Anna M.C.B.Hartjens

Town Clerk

REPORT OF THE BOARD OF HEALTH

On May 3, 1982 David Walsh was elected to the Board of Health. At the organizational meeting, David Wilder was elected as Chairman for the ensuing year.

A three-year contract was negotiated with Commercial Disposal for the Transfer System at the Dump.

Inspections were made at the Wendell Country Store and Gibbs' Store and Food Handlers Permits were issued.

An Influenza Clinic was held at the Town Hall on October 20, 1982. It was encouraging to note that more Wendell residents received the Vaccine this year than did last year. We are grateful to Nancy Spittle and Nettie Cole who administered the Vaccine.

Also in October, a joint annual inspection was made at the Swift River Elementary School in conjunction with the New Salem Board of Health. In December an inspection was made at Maple Valley School.

Eleven applications for subsurface sewage systems were processed and approved. Four Certificates of Compliance were issued.

Five well water samples were tested for contaminants and pollution at the Western Mass. Public Health Center.

Blood Pressure Clinics were held at the Town Hall on a monthly basis. Our thanks to Nettie Cole who takes the pressures. We would like to have more people take advantage of this service.

Respectfully submitted,

Ingrid Pfohl
David Wilder
David Walsh

FINANCE COMMITTEE ANNUAL REPORT

The Finance Committee this year consisted of four members: Mary Houghton, Bruce Cohen, Donald Stone and Anne Zak. There should be five members. This is a good time to invite interest from the reader in a term on the Finance Committee. It is a seasonal job that can satisfy your propensity for civic duty and provide you with a good look at town finances and a chance to learn how Wendell ticks, fiscally.

The primary task of the Finance Committee is to review budget requests from department heads and recommend spending in the best interest of the Town of Wendell within budget restraints. It is also the responsibility of the Finance Committee to present to the Town a clear and concise report of the financial condition and recommended spending at town meetings.

One of the major tasks for FY 1983 has been to work on long range planning for large capitol expenditures. Using the stabilization fund and creative financing, the following 20 year plan should be possible for highway equipment replacement. FY 1984 - replace loader, FY 1986 - replace 1971 International, FY 1991 - replace 1976 Ford, FY 1996 - replace 1977 Ford, FY 1997 - replace grader and FY 1999 - replace backhoe.

The committee has approved the following Reserve Fund transfers: 11/02/82 - Highway Tool account \$385.00, 01/10/83 - Unemployment Insurance \$184.60, 01/05/83 - Board of Assessors Expenses \$404.59, 02/07/83 - Salt shed account \$27.49, and 02/16/83 - Garage maintenance \$340.00.

We'd like to remind everyone that all of our meetings are open and public.

Respectfully submitted,

Anne Zak

WENDELL FREE LIBRARY

Our library was pleased to accept, this year, the responsibility of housing the various items and documents the Historical Society had worked to collect over the years. At present, this collection is being cataloged and facilities for proper storage and display are being investigated as to insure enjoyment in the years to come.

The downstairs reading room has received some finishing touches; including a carpet, finished walls and shelves. We hope this space serves as a comfortable and practical place to read and study.

In an attempt to increase participation in the library's resources, a program that will deliver books to those people unable to get to the library, has begun. As in the past years, the library makes use of the bookmobile in providing the Town with more materials.

Again this year our library has sponsored an exciting film series for children and adults. A poetry and prose reading took place as well as participation in the Old Home Day celebration.

With funds provided by state aid and town support, we were able to purchase many new books, including a new set of encyclopedias.

Respectfully submitted,

Laurel Wilson

REPORT OF THE WENDELL FIRE DEPARTMENT

1982

The Wendell Fire Department, logged one-hundred-forty-four Red Phone Calls, and responded to 15 alarms including: 3 structure fires, 9 chimney fires, 2 brush fires, 1 smoke investigation, 1 flooded cellar, 1 gas washdown and one false alarm.

Training for the year, was requisitioned by me from the Mass. Firefighting Academy, which sent two fine instructors to Wendell, every week for eight weeks, to teach and review us on the Basics of Firefighting, the use of firefighting tools, new ideas and innovations. This kind of hands-on training is invaluable to the fire service and we were lucky that most of the department could attend.

We have acquired a 16 yr. old 6-cylinder diesel, 3300 gallon tanker. I have had it equipped with a 2 cylinder, electric start skid mount pump with 3" suction, 8" quick dump, one 2½" and one 1½" discharge, three 2½" fill pipes, and a sliding vent hatch. A 2100 gal. folding dump tank, liquid level lights, and built-in battery conditioner have been added. It is constructed in such a way that, in time, the tank, pump and piping can be lifted as a unit and a new cab and chassis put under it. I firmly believe that a used vehicle should never be acquired for an emergency unit unless (1) it is less than three years old with low mileage, (2) it was manufactured as an emergency vehicle and (3) you have an unlimited amount of funds. This tanker is in service, but it is a long way from being finished.

The Wendell Fire Department has been left with a great void in the sudden loss of Mrs. Lillian Gibbs, who has been a fire phone dispatcher, almost from the beginning of the department when her husband, the late Myron Gibbs, was fire chief. "Lil" will remain fondly in our memories forever.

My profound thanks to all those firefighters who responded to the alarms throughout the year. My special thanks to fire wardens, Dolores Williston and Jackie Ricketts for their Red Phone diligence and Station Duty, hosting the cover truck companies from other towns and also to the Orange Fire Dept. Permanent Men who back up our Red Phones.

To all the people of Wendell who donated financially to our association and those of you who expressed a word of encouragement and a verbal pat on the back, on behalf of the Wendell Fire Dept. and myself, Thank-you. Thank-you very, very much, we deeply appreciate it.

Respectfully submitted,
Everett L. Ricketts, Sr.
Chief

WENDELL TOWN REPORT

During 1982-1983, the Swift River School has continued to be affected by Proposition 2½. The spending reductions required by that law really represent a further extension of our effort to maintain an excellent school despite very low spending. We have not allowed the spending reductions to prevent us from continuing to examine our school programs in order to strengthen them. The school staff is continuing in its efforts, for instance, to develop a stronger social studies curriculum. And the school committee has met with the entire special education staff for its first full blown review of an important curriculum area. We are hopeful that increases in state aid and substantial changes in its distribution may ultimately lead to substantially more funds available to the Swift River School -- a possibility which would allow us to make real strides to further strengthen the school.

There were some new staff members this year. Carolyn Storry, a woman with experience teaching in the Pelham Elementary School, was appointed to a one year leave replacement position in the second-third grade. Other new teachers include Margery Heins in general music and Patrice Sweeney in speech and language. Ms. Heins is a graduate of Mount Holyoke College and Temple University and has been teaching part-time in several area schools. Ms. Sweeney is a graduate of the University of Connecticut and had formerly taught in the Brooklyn (Connecticut) Public Schools. Mr. Yasso is in semi-retirement after twenty years of teaching in the Baldwin, (New York) Public Schools.

As is often the case, we have several new teacher aides -- people with unusually strong qualifications for these positions. After some time working in the social service field, Doreen Walsh has returned to the Swift River School as a teacher aide. Kathleen Parker is working in the first grade after several years as a teacher aide with the Hampshire Educational Collaborative. Karen Schweitzer, a 1982 graduate of the University of Massachusetts, is our new Chapter 1 aide. Our new library aide, Carol Ostroff, is a graduate of Boston State College and has taught and served as a librarian in the Burlington (Massachusetts) Public Schools. She is being assisted by Emalee Bagdonas, in a position funded through the federal Green Thumb program.

The school committee has been able, for the first time, to open the pre-school program to all New Salem and Wendell residents at no tuition cost, through the cooperation of Head Start, new regular federal funding under Chapter 2, a special Early Childhood federal grant, and some support from the school budget. We have two new members of the instructional staff. Jane Baltren is the Head Teacher. She had previously been teaching at the Head Start program in Turners Falls. Rita Bennett is a new teacher aide there. Ms. Bennett was a teacher for several years at the Girls Club Nursery School in Greenfield.

Other new staff members in the school system include Kenneth Wing, as assistant custodian for the Pre-School building and Diane Zani of New Salem as a cafeteria assistant.

AT A MEETING OF THE RALPH C. MAHAR REGIONAL SCHOOL COMMITTEE HELD
ON JANUARY 11, 1983 IT WAS VOTED TO ACCEPT THE REPORT OF THE
SUPERINTENDENT AND ADOPT IT AS THE REPORT OF THE REGIONAL SCHOOL
COMMITTEE.

To the members of the Ralph C. Mahar Regional School Committee, and the voters of the Ralph C. Mahar Regional School District, I herewith submit my annual report as Superintendent.

The report to the Mahar Regional School Committee covers the period January 1, 1982 to December 31, 1982. As such, all reports cover the final half of the 1981-1982 Fiscal Year and the first half of the 1982-1983 Fiscal Year.

The highlight of the year in the Mahar Regional School District was the Accreditation of the school by the New England Association of Schools and Colleges. Following a year of self-evaluation by the school, a Visiting Committee from the Association assessed the quality of the educational program. In May, the school received accreditation for a ten year period through 1991. In view of the fact that few schools are given the maximum ten year accreditation, much credit should go to the Committee which fully financed and supported the comprehensive study and to the staff for its meticulous work in presenting the school program. The citizens of the District are also to be commended in their continuous support of a sound and comprehensive secondary educational program. It is now our task to continue working to further expand and improve the school in the years ahead.

FINANCE

The Mahar School Committee approved a 1982-1983 District Gross Budget of \$2,665,280 and continued a Net Budget of \$1,049,549, the same assessment charges as in 1981-1982 to the member towns. This was accomplished with the use of additional regional aid which resulted from the withdrawal of Erving from the District. Regional Aid was increased from \$284,539 to \$479,512. The school budget which was approved by all four member towns was kept to a strict minimum in nearly every category. Salary raises were granted to personnel, the Adult Education Program was re-instated, the school lunch program was further stabilized, three bus routes were put back into operation, and Workmen's Compensation Insurance was provided for professional employees. In looking ahead to the next fiscal year, it is obvious that, unless substantial new state educational aid is voted by the General Court, the assessments will have to be increased to meet the basic needs of the school. The Committee will continue its policy to keep the town boards fully informed as 1983-1984 budget estimates are reviewed in the months ahead.

PERSONNEL

The Mahar School Committee accepted with regret the resignation of Robert Ellison as Music Director after twenty three years of distinguished service to the students of the District. I also wish to acknowledge the establishment of the Robert M. Ellison Music Award by the Pioneer Junior Woman's Club. Mr. Larry Wells, a graduate of the University of Massachusetts, was selected as a replacement.

In other areas, the Committee reduced one teaching position in Industrial Arts, and added one teacher to the Foreign Language Department. Mr. James Woodward, a member of the football staff, was elected to Varsity Head Coach. He is extremely well qualified to take over this responsible position so capably held by Mr. Spadafora for twenty years.

VOCATIONAL EDUCATION

I can report that interest in enrolling in Vocational Education Programs is steadily increasing as students become aware of the opportunities available. The Mahar Administration and Guidance Departments have coordinated closely with the local school departments to carry out and extend these services to our students.

Regional Students Attending Franklin County Regional Vocational Technical School - 31.

Regional Students Attending Montachsett Regional Vocational Technical School - 37.

FEDERAL GRANTS

The following Federal Grants were approved to supplement the school programs in 1982:

Library and Audio Visual Department	\$ 2,725
Special Education Department	\$24,805
Career Education Program	\$21,623
Federal Block Grant	\$ 6,993

SELECTION OF NEW SUPERINTENDENT

The Committee was faced with the task of finding a new superintendent when I informed the Committee in May of my plan to retire at the close of December after twenty five satisfying years as an administrator of Mahar. The Committee formed a search committee comprised of committee members, teachers, students, and parents to screen and interview applicants. A careful and thorough search was carried out.

The Mahar Committee unanimously selected Mr. Carl F. Knowlton of Westbrook, Maine as the new superintendent. A graduate of Plymouth, New Hampshire State College, he holds a Master's Degree from Pennsylvania State College and a Certificate of Advanced Graduate Study in school administration from Boston University where he is currently working on his doctorate degree in education. Mr. Knowlton has had wide experience as a teacher, principal, and superintendent in New Hampshire, Maine, and Massachusetts.

In closing this report, I wish to express my deep-felt thanks to the members of the Mahar Committee for their encouragement and support over the years. I also wish to thank my co-workers for their splendid cooperation.

Respectfully submitted,

Kermit W. Cook, Superintendent and
Secretary for the
Ralph C. Mahar Regional School District

FRANKLIN COUNTY TECHNICAL SCHOOL DISTRICT
ANNUAL REPORT OF THE SUPERINTENDENT-DIRECTOR
CALENDAR YEAR JANUARY 1, 1982 to DECEMBER 31, 1982

I am pleased to submit this seventh annual report of the administration of the Franklin County Technical School. As in my previous reports, I will briefly report on only those significant events that have contributed to our school's progress during this past year.

As in previous years, the Tech School continues to maintain a capacity enrollment - in excess of (770) students. The October 1, 1982 enrollment by District Town is as follows:

Bernardston	29	Sunderland	18
Buckland	32	Warwick	5
Colrain	39	Wendell	15
Conway	17	Whately	9
Deerfield	48	<u>Non-District Towns</u>	
Erving	29	Ashfield	16
Gill	14	Athol	19
Greenfield	230	Charlemont	13
Heath	12	Hawley	4
Montague	121	Orange	7
New Salem	7	Leyden	6
Northfield	35	Leverett	2
Rowe	4	Plainfield	3
Shelburne	36	TOTAL	770

As a result of the school staff's regular program review and evaluation, a decision was made at the conclusion of the 1981-82 school year to terminate one of the vocational programs -- Distributive Education. However, in recognition of strong present and prospective employment in the high technology fields, our Data Processing and Electronic programs were updated and revamped to allow increased enrollments.

A record number of community service projects were performed by our school's production shops this year. In addition to our annual House Building project, being built in Erving this year, our Data Processing/Electronic Departments began a very productive community service project with a number of the District's schools. Those area schools that have purchased micro computers will be able to have them serviced at the Tech School with major cost benefits to the entire District.

A number of energy savings' projects were initiated at the Tech School this year. Electrical and fuel savings have already been clearly established. Also, the school has developed a more efficient programmed budgeting accounting system by coordinating Business Office functions with our Data Processing Department.

Further long and short range cost savings are still being examined by the investigation of alternative school scheduling. The Four Day School Week Study Committee has completed its reports to the District Committee. Final research and investigation by the Committee will end in an early recommendation regarding the 1983-84 calendar.

As in past years, the school was the fortunate recipient of many federal grants and a number of donations and gifts from

area business and industrial firms.

The Collaborative link which has begun with the Greenfield Community College continues to strengthen. In addition, to an effective Adult Education Evening Program, our two schools are working closely in our Data Processing and Electronic course work.

The major goal of all vocational-technical education is "to prepare students to seek, acquire, and succeed in a specific trade, technical, or occupational field." In recognition of that goal, our school continues to stress and improve our student job - placement services. Our work experience and cooperative work programs continue to be strongly supported by the area business and industrial managers; and despite a continuation of the depressing national, state, and local employment picture, the job placement rate for the Senior Class of 1982 was very impressive. By graduation, over 57.6 percent of our Seniors were placed in career related occupations. Also, eleven percent of this past year's graduates were enrolled in post-secondary educational and job training institutions.

As in my previous annual reports, I would like to conclude by offering a brief assessment of the Tech School's future role and impact in Franklin County. Unquestionably, the single most serious impact on this school's future rests on the prohibitive fiscal restrictions placed on our short and long range budget cycles. The inability to effectively incorporate even moderate repair, replacement and recapitalization programs for our school's vocational and technical courses will ultimately create seriously depreciated job training stations. Continued reductions in staff, equipment, supplies and materials are, in the long run, self destructive in any viable school program.

Future enrollment patterns at this school should remain very healthy. However, since, the national, state, and county grades' 3 - 12 student populations will continue to exhibit marked decrease until the mid 1990's, this school also will witness a slight decrease in our grades' 9 - 12 applications. Nevertheless, plans are currently underway to incorporate the Tech School plant and staff into a state-wide adult and student - school leaver's job training and retraining network. Therefore, it seems unlikely that very few student vacancies will exist in the near future, especially in the emerging technology occupations.

In closing, I wish to express my gratitude to the entire educational community at the Tech School. Their dedication and cooperation have contributed significantly to another very successful school year. I am indebted, also, to the parents, county residents, business, industrial, and educational benefactors for giving so generously of their time and talent. An finally, Mr. Chairman, I wish to express my appreciation to you and your District Committee. Your consistent support, encouragement, and confidence in my administration of this fine school is sincerely appreciated.

Respectfully submitted,
JAMES J. O'NEIL, JR.
Superintendent-Director

FRANKLIN COUNTY TECHNICAL SCHOOL DISTRICT
ANNUAL REPORT OF THE CHAIRMAN
CALENDAR YEAR JANUARY 1, 1982 to DECEMBER 31, 1982

To the citizens of the member towns of the Franklin County Technical School District:

Bernardston	Gill	Rowe
Buckland	Greenfield	Shelburne
Colrain	Heath	Sunderland
Conway	Montague	Warwick
Deerfield	New Salem	Wendell
Erving	Northfield	Whately

On behalf of the Franklin County Technical School District Committee, I would like to take this opportunity to extend my appreciation to all in the county who have contributed so much to still another year of quality Technical Education.

The past year has not been without problems, some rather heavy, and the next few years will likely be even more trying. The Committee and the Staff are presently involved in the creation of the next annual budget. In full recognition of the stringent fiscal climate and the heavy unemployment in our district, the task is very difficult.

The degree of professionalism that prevails at FCTS by the administrative, teaching, custodial and service staffs is noteworthy, and is apparent to even the casual observer.

Special recognition also is due to this District Committee for it's expenditure of time, effort, and an outstanding record of attendance. As in past years, a quorum is always exceeded at every meeting.

Again, my sincere thanks to all.

Respectfully submitted,
ROBERT MACGREGOR, III, Chairman

FRANKLIN COUNTY TECHNICAL SCHOOL
DISTRICT COMMITTEE
December 31, 1982

Bernardston:	Frederic D. MacNeill
Buckland:	Robert MacGregor, III

EASTERN FRANKLIN DISTRICT

Department of Veterans' Services

6 PROSPECT STREET
ORANGE, MASSACHUSETTS 01364

Member Towns:
New Salem
Orange
Warwick
Wendell

TO THE HONORABLE BOARD OF SELECTMEN OF WENDELL:

SUBJECT: Report of the Eastern Franklin District Veterans' Services
January 1, 1982 to January 1, 1983

In spite of the current economic status of the area, the number of cases for benefits did not rise significantly. There were two temporary cases, and one permanent case.

The department has continued to assist veterans and/or their dependents with applications for VA benefits which often results in large savings to the towns, VA being funded from Federal Government. Veterans' Services are funded by the towns, reimbursed 50% by the Commonwealth of Massachusetts.

Eleven hundred fifty-three contacts were made to the office relative to Veterans' Services or VA benefits.

Arnold W. Bergeron resigned effective November 30, 1982 due to health reasons after serving well and faithfully since September, 1976.

The appointment of Allan R. Baldwin became effective December 1, 1982 as Agent and Director.

Respectfully submitted,

Allan R. Baldwin
